## REFERENCES

- Scott worked at Credo Ventures under my supervision. Among other tasks, he was responsible for managing the company's CRM system, preparing market & investment analyses, reviewing financial reports and meeting with businessmen seeking investment at Credo. Scott quickly adapted to his role and demonstrated strong analytical skills and critical thinking. Furthermore, his willingness to help and pleasant demeanor made him a valuable team member. I can highly recommend working with Scott.

Ales Duchac, Associate / Credo Ventures

- Scott took each project to heart and has never missed any detail. All the projects were followed up well, and his communication with the engineers and costumers were perfect. His methods for managing the projects, have brought nothing but success.

Dr. Anna Grinvald, CEO / GTS Company

Thank you.
